Winter doesn't always have to mean being cold! We have found the perfect Christmas gift to certainly heat things up...

You can recreate an indulgent hot massage therapy in your own home with Lava Shells Home Care Kit. This wonderful kit will ease out all those aches and pains giving you a pleasurable experience just like being in a spa!

The kit contains a simple instruction booklet that will guide you through a safe and effective massage and enable you to drift into a blanket of warmth as the oiled shells glide along your body, giving a calming effect with a comfortable warming temperature designed to induce utter relaxation, we can't think of anything better!

At just £29.95, this versatile and natural massage treatment is the ultimate gift with a difference. Beautiful in appearance and wonderfully easy to use, the Lava Shells is an innovative Christmas present that no one will have received before.

The Lava Shells at home kit (RRP £29.95) is available to purchase from leading spas and salons nationwide. It contains one shell, a bottle of massage oil and 4 lava charges to heat the shells for up to an hour with a patented combination of natural minerals and water.
